International Federation of
Fertility Societies

To all SASREG Members

Dear SASREG member

The SASREG task committee on egg donation agencies has made ethical guidelines for egg donation agencies. This task committee consists out of Dr Igno Siebert, Dr Sulaiman Heylen and Dr Mervyn Jacobson. The guidelines were formulated on the SASREG meeting of 03 December 2011 with the support of the SASREG chairman Dr Paul le Roux.

These guidelines have been send to all egg donation agencies. If they agree to these guidelines they will be accredited by SASREG. The names of the accredited agencies will made available on the SASREG website.

All SASREG members and SASREG accredited IVF-clinics are recommended only to work with the accredited egg donation agencies.

I attach these guidelines for egg donation agencies and the SASREG guidelines on gamete donation from 2008 for your information.

On behalf of the SASREG task committee on egg donation agencies.

Dr Sulaiman Heylen
Obstetrician and Gynaecologist
Subspecialist in Reproductive Medicine.
