3<sup>rd</sup> February 2010

Dear Colleagues

We refer to the hosting of the first Southern African Society for Reproductive Medicine and Gynaecological Endoscopy's (SASREG) Conference which was scheduled to be held in Port Elizabeth from the 26<sup>th</sup> to 27<sup>th</sup> of March 2010.

After receiving representation from speakers and members of the Society, we, as the organising committee felt that it would be inappropriate to continue with the meeting in March due to the incredibly busy work schedules and commitments of many of the prospective participants over that period.

Whilst all the arrangements are in place and we are excited about the programme content, we recognise that it will not be possible for a substantial number of our members to attend.

Under the circumstances we have decided to postpone the Conference until a more suitable date in the near future and this will be communicated to you once we have had the opportunity to ascertain a convenient time.

We thank you for your ongoing support of SASREG and look forward to communicating with you in the near future regarding a new date.

Yours sincerely

**PAUL DALMEYER**
